STAT

FROM :
Director, Consolidated SAFE Project Office/ODP

SUBJECT : Fourth Quarter 1981 SAFE Steering Committee Meeting

1. The SAFE Steering Committee is scheduled to review the current status of the SAFE Project on 2 December 1981 at 1430-1530 in the DIA Director's Conference Room (3E267) in the Pentagon.

2. The Consolidated SAFE Project Office will conduct a briefing of not more than 45 minutes. The agenda will include such topics as the status of Technical Development, current status of Block 1 and Block 3, Site and Facilities Construction, Contract Management, Current Planning Activities, Administration and Finances, Award Fee Determination and selected issues. A point paper will be provided 10 days in advance of the meeting.

3. Members of the Steering Committee are invited to suggest additional topics for review and discussion as appropriate to the CSPO. STAT

MEMORANDUM FOR: SAFE Steering Committee

FROM :
Chief, Project Planning and Control/CSPO/ODP

SUBJECT : Clarification of the CALSPAN FY-81 Budget Allocation

1. During the 7 August 1981 SAFE Steering Committee meeting the accuracy of the CALSPAN FY-81 Budget allocation was questioned.

2. A review of the Consolidated SAFE FY-81 Budget Allocations has revealed that the reported budget allocation of \$215,700 is correct.

3. Apparently, the Project's budget allocation for CALSPAN was being confused with the contract value of \$130,000 that awarded to CALSPAN following completion of the DIA SAFE contract with CALSPAN.
